

Who Can Join?

We welcome:

- Patients aged 16 years and over
- Parents and carers representing family members
- People from all backgrounds and communities
- We are particularly keen to hear from people of different ages, cultures, ethnicities, and health experiences so that our PPG reflects our patient population.

What We Discuss

Examples include:

- Improving access to appointments
- Patient communication
- Health promotion campaigns
- Practice facilities
- Digital services
- National NHS initiatives
- Community health projects

Your Confidentiality

Members are expected to:

- Respect confidentiality.
- Treat others with dignity and respect.
- Listen to different opinions.
- Work collaboratively with practice staff.

Personal medical information will never be discussed during meetings.

**Together We Can
Improve Our Practice.**

**Your ideas.
Your experience.
Your voice.**

**Helping us provide the best
possible care for our community.**

What is a Patient Participation Group?

A Patient Participation Group is a partnership between patients and practice.

It gives patients the opportunity to:

- Share ideas and suggestions to improve services.
- Provide feedback on patient experience.
- Help develop new initiatives.
- Promote health and wellbeing within the local community.
- Support communication between patients and practice.

The PPG does **not** discuss individual medical issues or complaints.

How Much Time Does It Take?

You can be involved as much or as little as you like. Options include:

- Attending meetings (usually every 2–3 months)
- Joining virtual meetings
- Responding to occasional surveys by email
- Helping with specific projects or events

Why Join?

As a member, you can:

- Help influence how services are developed.
- Represent the views of other patients.
- Learn more about how your practice works.
- Meet other members of your community.
- Make a real difference to local

Everyone is welcome, regardless of age,
background, or health
